President's Message

Dallas Ski Club just had our first ever virtual trip sign up on Zoom. It was a resounding success and our trips are all almost full. We have offered a liberal cancellation policy because of these uncertain times. You still have time to sign up or get on the waitlist. Go to our website for complete information.

We look forward to a new year with our traveling Dallas Ski Club friends while we go to Purgatory, Aspen, Telluride, Australia, New Zealand and Fiji.

Last call on membership renewal. Please make sure you have rejoined for the upcoming year so that you can get updates and invites to all events.

Our DSC Board has continued to make plans for parties and Happy Hours. We will make adjustments as each event approaches according to the current government health restrictions. Check out our calendar showing our schedule.

Our ski awards have been completed. Trophies were polished and engraved then presented.

Activities Update

The Covid-19 pandemic continues to impact our personal lives as well as the ability of the Dallas Ski Club to host our activities. Under normal circumstances, we would have enjoyed several Happy Hours and parties at this point in the year. To be on the safe side, we have pushed our plans for club parties out to October 31. We are optimistic that the pandemic will be at manageable levels by then. As that is Halloween night, we are planning for a Costume Party at Brookhaven Country Club. We have temporarily reserved a banquet room with access to an outdoor patio. There is plenty of room for social distancing if that will still be necessary. We hope that we can accommodate as many members as wish to attend by that date. In the past, our halloween party has been one of our best events so start planning for your costumes now. You can look forward to fun decorations, good food, music and dancing.

The Board continues to monitor local and state developments and adapts according. We are mindful that many of us are in a vulnerable age group and want to keep our activities fun but also safe.

Hope to see you all soon!!

Finally, we have a TENTATIVE September Happy Hour planned for Tuesday, September 1 at Ozona Bar & Grill from 4-7pm (Note time change!). There is inside and outside seating. The bar is inside but there will be waitstaff outside. (\$1 off all bar drinks excluding already special priced drinks, complimentary chips & salsa, and \$1.95 Queso). We cannot sit any more than 10 per table due to the current Covid 19 restrictions, however, as we know, that could change! There will be no admission fee. Everyone is on their own for food & beverage.

First Ever ZOOM Kick Off Party

On August 2 we had our first virtual trip kick off party via Zoom. There were about 50 members in the session which we thought was a good turnout. We announced the trips for 2021 and began taking signups. Since there are so many unknowns right now we made some minor changes to policy. We encouraged people to sign up for the trips with the usual deposits - \$100 for domestic trips and \$200 for international trips. The Dallas Ski Club Cancellation Policy is amended waiving any DSC Administrative Cancellation Fees. You will be able to cancel with no penalty anytime prior to November 30, 2020. In addition, if there are governmental regulations restricting travel at our destination or in Dallas, trips will be cancelled with full refunds.

Here is a brief rundown on the trips – more specifics will be supplied in articles by the trip leaders. All of the trips but New Zealand are Dallas Ski Club trips. New Zealand is a TSC trip so there will also be other clubs in attendance.

Please go to the DSC website for detailed info on any of the trips as well as to sign up for any of them.

Telluride Trip Report 2/27 - 3/6/2021

The response to the trip to Telluride has been fantastic! Our initial allotment of twelve rooms at The Peaks hotel sold out very quickly. Many of our members had experienced the ski in ski out luxury of The Peaks hotel during our 2017 trip and were eager to return.

We started a wait list and began the search for additional lodging in Telluride. Fortunately we were able to get two bedroom deluxe condos in The Mountain Lodge, and our initial allotment of ten condos is already sold out also with only an opening for a single male to share a condo remaining. We have obtained another condo, so there are now five slots open if you are interested in going to Telluride. The Mountain Lodge is also ski in ski out, and the spacious condos are an excellent alternative to the hotel.

Full information about the trip is available on our website, and online registration on the DSC website is open. If you have any questions please contact Irving Reed, the trip leader.

New Zealand TSC Trip Report

In October of 2021 we will be having the trip originally planned for October 2020. Most of the TSC clubs voted to just postpone the trip a year rather than cancel it. Here is a breakdown on the specifics of the trip including pre and post trip:

10/5/2021 – Departure for Cairns (pre-trip)
10/7/2021 – Arrival in Cairns
10/11/2021 – Cairns to Sydney (pre-trip)
10/14/2021 – Sydney to Auckland, NZ
10/16/2021 – Auckland to Rotorua
10/18/2021 – Rotorua to Queenstown
10/23/2021 – Queenstown to Fiji (post-trip)
10/27/2021 – Fiji to home

The majority of our members are doing the entire trip but a few are skipping the pre or post trip options. There are a variety of activities scheduled for each of our stops so it should be a fabulous trip. **The website has a pretty good description of the activities included in the trip.** There will also be some optional activities available when we are there. We may need to sign up for some of them while there as they may depend on weather. We currently have 30 signed up for the trip but I expect we can accommodate more so there is no waitlist yet. If you think you are interested it would be good to get your deposit in via the website.

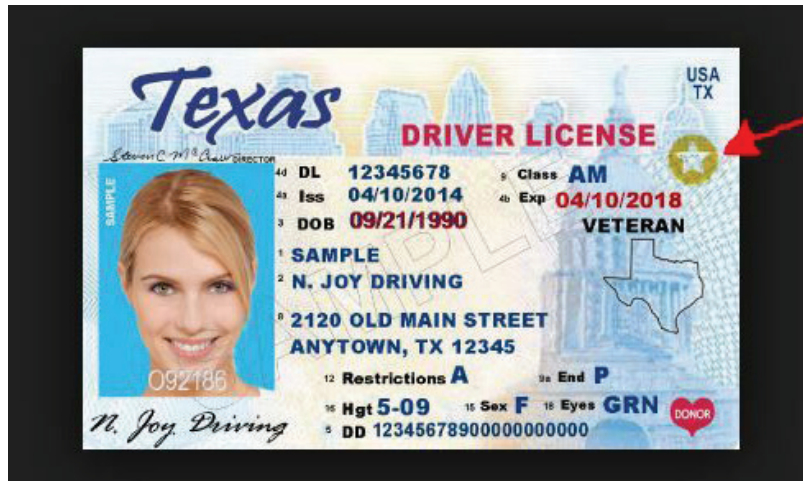

For those that had insurance on the 2020 trip there will be a link to transfer the insurance to the 2021 trip. We will send you the info once it is available. The pricing quoted on the website is still the 2020 pricing as they are still putting together pricing for 2021 but we expect it to be very similar. Both Australia and New Zealand will require a Visa. They are very easy to obtain and inexpensive – we will start sending out info on them in 2021 as they are usually only good for 12 months.

Texas residents will need REAL ID-compliant identification to fly starting October 1, 2020 – Extended to 10-1-2021

AUSTIN - The Transportation Security Administration (TSA) and the Texas Department of Public Safety today held a press conference at Austin-Bergstrom International Airport (AUS) to remind Texas residents that starting Oct. 1, 2021, travelers will need a REAL ID-compliant form of identification to board a flight at all U.S. airports.

Texas has been issuing REAL ID-compliant licenses and ID cards since October 2016. To determine if a Texas driver license is REAL ID-compliant, look for the cutout of a gold star in the upper right-hand corner of the license.

"Starting in about a year, all passengers will need a REAL ID-compliant license or another acceptable form of ID to board a plane here at Austin-Bergstrom and nationwide," said Mike Scott, TSA AUS federal security director. "Signs are currently posted here at Austin and at airports around Texas reminding the public of the October 1, 2021 deadline."

Travelers who do not have a REAL ID may use another form of acceptable documentation, such as a valid passport or military ID. For a complete list of acceptable IDs, go to <https://www.tsa.gov/travel/security-screening/identification>. A REAL ID also will be required to gain access to secure federal facilities, including military bases, nuclear facilities and some federal offices starting Oct. 1, 2021.

"The Texas Department of Public Safety wants to assure Texans that they have multiple options to receive a REAL ID-compliant card if they do not already have one. We are reaching out to all of our customers whose cards expire after October 2021 to let them know whether they can renew early or request a duplicate to become compliant by the October 1, 2021 deadline," said Skylor Hearn, deputy director, Texas Department of Public Safety. "Customers who have yet to receive their letter can see if they are eligible to take advantage of one of these two options by visiting Texas.gov today. If your card expires before October 2021, don't worry. You will get a REAL ID the next time you renew."

If your card expires after October 1, 2021, you have multiple options:

- Do you have a passport? If so, you may choose to use that as your REAL ID credential.
- Does your card expire between October 2020 and October 2022? You can renew up to two years ahead of your expiration date. Go to Texas.gov to see if you can renew online.

- If your card expires between October 2020 and October 2022, you can request a duplicate at [Texas.gov](https://www.texas.gov). You will be provided a REAL ID compliant duplicate, which will remain valid until it's time for you to renew.

If your card expires after October 1, 2022, you have multiple options:

- Do you have a passport? If so, you may choose to use that as your REAL ID credential.
- You can mail in a form to request a duplicate Driver License or ID card, or
- You can visit [Texas.gov](https://www.texas.gov) to request a duplicate Driver License or ID card.

Passed by Congress in 2005, the REAL ID Act complies with the 9/11 Commission's recommendation that the federal government "set standards for the issuance of sources of identification, such as driver's licenses." The Act established minimum security standards for state-issued driver's licenses and identification cards and prohibits federal agencies from accepting licenses and identification cards from states that do not meet these standards for official purposes, such as at airport security checkpoints. The regulations established the deadline of October 1, 2021, to ensure full enforcement of the REAL ID Act. States have made considerable progress in meeting this key recommendation of the 9/11 Commission.

More information and Frequently Asked Questions on REAL ID can be found at:
