PRESIDENT'S MESSAGE

The Dallas Ski Club had robust growth during the last 12 months with the current membership at 578. This has happened from the dedication of the outgoing 2022 to 2023 Board, many club volunteers and individual club members. This growth has been fueled by the most successful skiing and non-skiing trips to outstanding Happy Hours and many fun and informative party events. Our sincere gratitude goes to the outgoing board members for their dedicated service this past year who are Tom Reynolds - VP of Happy Hours; Joyce Schiska - VP of Activities; Marlene Heineman - VP of Trips; Gladys Koh – VP of Publications and finally and not least, outgoing President Lynn Erickson. Each one of them did an

outstanding job. They will be a hard act to follow. I can assure you all the members of the incoming 2023 to 2024 Board are dedicated to providing opportunities for fun and fellow ship to our members in the coming year.

Five of the incoming members who were not on the 2022 to 2023 Board: Dyann Skelton – VP of Activities; Joyce Bartell - VP of Membership; Rick Darlow – VP of Happy Hours; Kim Downs – VP of Publications; and Catherine Walther – VP of Trips. Our entire incoming Board I could not be more enthused about them because I am sure they will be valuable contributors of fresh ideas and enthusiasm dedicated to serving our membership. As you know, our Dallas Ski Club is run by volunteers. I solicit club members to volunteer to assist at happy hours and other club events. It's a great way to help your club while having fun and getting to know each other better. In addition, I invite any club members who think they may want to directly assist in any Board member position to email me to learn more about each Board position. Volunteering to help any Board member position is a great way to perhaps be ready to become a club Board member in the future. Finally, I ask all club members, please be sure to welcome new members and guests when you see them at club activities; it will help them feel more comfortable with us. We all were new club members at one time, knowing how being felt welcome meant so much.

As our

membership keeps growing, welcoming new members and guests will be of ongoing importance.

Check out the Powder Hound and watch for emails about upcoming trips, activities, and events. We have outstanding skiing and non-skiing trips for the 2023 to 2025 plan. Often members regret not registering for a trip because they needed to read the details to help make earlier trip registration decisions. Thus, I encourage all to read the Powder Hound and Club emails to you. A few new types of trips or activities planned without mentioning all the trips, activities and events are:

- The upcoming pickleball event.
- This December, join a ski school at Steamboat for beginners up to more advanced skiers.
- Good chance of a 100% inclusive price yacht trip from Greece to Croatia to include gourmet meals and biking.

I close with a reminder to renew your membership promptly and invite your friends to join us as we build and renew our friendships through activities with the club. It is my honor and privilege to serve as your new President and I look forward to connecting with everyone throughout this coming year.

CHANGING OF THE GUARD - APRIL 22

Thanks again to Donna Garrett for offering her beautiful home for the Changing of the Guard Party. A great group of volunteers made everything possible. Good food, drink and music made for a very cool evening of trophies and the introduction of the outgoing board members and the new 2023 board members.

2023-2024 Trips

TSC BidFest, Upcoming Trips & DSC Trip Sign Up Party!

We had a great time at the TSC BidFest this year – it was held right here in Dallas the weekend of April 14-16. We really want to say THANK YOU to the many DSC members who joined us for this year's TSC BidFest – you were a huge help to the DSC delegates as we decided which trips DSC wanted to support for the 2024/2025 ski season. And we all had a grand time at the Saturday evening dinner and dance party! We also really appreciated everyone who completed the Trip Survey – that was very helpful to us.

We're excited to let you know our trip schedule for next year – 2023/2024, as well as the TSC trips for the year after that – 2024/2025, which were just selected at BidFest. Lake Louise Trip

By Irving Reed and Carol Brown

March 11, 2023, marked the return to Canada for the Texas Ski Council, including the Dallas Ski Club. This trip was initially planned to take place in 2021, but it was postponed when the Canadian government closed their borders during Covid. The members of the Dallas Ski Club were tremendously supportive of this trip as it sold out at the signup party. Thanks to Marlene Heineman's efforts as Trip VP working with the tour operator, we were able to secure additional rooms and airfare to accommodate 56 members on the trip – almost double our initial allotment. It was especially gratifying to welcome many new members who were on their first ski trip with our club.

Upon our arrival in Calgary, we loaded onto two buses for the drive to the Fairmont Chateau Lake Louise where we had rooms in their newest addition, the Mount Temple wing. After checking in and getting settled in our rooms, our lift tickets and TSC credentials were distributed to the trip participants.

Sunday was our day for the skiers to get acquainted with the ski area at Lake Louise. In consideration of our members who were not skiing, Carol Brown and Debby Hein had organized various non-ski activities. We ended the day mingling with members of the other clubs during the TSC Welcome Happy Hour. Also, we heard from Jenny Alford of Ski White Diamond; Cheryl Mershon, the TSC trip coordinator; and representatives of the hotel and the ski resort.

Monday dawned with snow and reduced visibility. Some of the skiers braved the conditions while others joined the non-skiers for a day of relaxation, including a hotel presentation on the history of Lake Louise in the Living Room. Throughout the week, the Living Room was used by our members for games and gatherings. The hotel provided various activities to keep our non-skiers entertained, including a variety of restaurants, retail shops, a spa & a gym as well as outdoor activities.

The shuttle from the hotel to the Sunshine Village Ski Resort in Banff runs on Tuesdays and Thursdays. We loaded two buses full of TSC members for the trip even though the visibility was poor and the snow was still coming down. The true powder hounds had a great day at Sunshine while some of us had a long lunch before catching the shuttle back to the hotel.

After-ski activities at the hotel included a snow- building competition sponsored by the TSC and a DSC bonfire by the lake. The team representing DSC included Rotha Crump, Steve Abrey, Jan Kirk and Sophia Brisbon; they won the competition with their “snow leprechaun.” After the competition, our DSC members gathered around our private bonfire to roast marshmallows and make s’mores. We are grateful to Laurel Levin, Freda Pattillo and Cathy Walther for supplying the ingredients for making s’mores. It was a great day to release our “inner child” and have fun!

Many of the trip participants chose to visit Banff Village on Wednesday for shopping and sightseeing on a trip organized by Carol Brown. Others returned to Lake Louise Ski Resort for a great day of skiing in perfect conditions. Everyone got great photos to remember their experiences.

Some of the skiers returned to Sunshine Ski Resort on Thursday to ski the mountain under better conditions. A group of our club members joined a mountain tour led by a local guide who was an expert snowboarder. It was an excellent tour and provided a unique experience for the skiers. Meanwhile, back at the Chateau, Debby Hein had organized a private horse-drawn sleigh ride for our members. They had brunch and then boarded the sleighs for a ride along the lake to the frozen waterfalls, on which the group saw several people ice-climbing. The night ended with the TSC Farewell Gala in the ballroom where the members danced the night away.

Friday was another beautiful day of skiing at Lake Louise. We ended the day with the Dallas Ski Club Farewell Dinner and Dance. We reserved the Brewster Cowboy’s Barbecue and Dance Barn, where we dined on Canadian-style barbecued beef and danced to the music provided by a live western band. The rustic western facility, delicious food, and friendly service made for an unforgettable Western Canadian experience. Everyone there agreed that it was a great way to celebrate our week in Lake Louise!

We left early Saturday morning for our return home with many great pictures and memories of the beautiful Canadian Rockies.

Bike Ride Tuesday!

You are invited to join a group of DSC members

We bike 10 miles around White Rock Lake. We meet at Debbie Schirico's house (7141 Greenbrook Lane, Dallas, TX 75214) every Tuesday at 8:30 am.

Anyone interested is invited to join in the fun!

Please contact Debbie (214-679-2445) or let one of us know that you will be attending so we can look out for you.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19 – updated 11-2-20

WHEREAS, the coronavirus a/k/a COVID-19 has been declared a worldwide pandemic by the World Health Organization, and is extremely contagious and believed to spread mainly from person-to-person contact; and federal, state, and local governments and federal and state health agencies recommend social distancing, e.g., staying six feet from others, and have, in many locations, prohibited the congregation of groups of people; and

WHEREAS Dallas Ski Club ("DSC") cannot guarantee that I will not become infected with COVID-19 or a variant thereof (hereinafter included in the term "COVID-19"); and that attending DSC events, including Happy Hours, parties, trips or the like ("Events") could increase my risk of contracting COVID-19;

NOW, THEREFORE, for allowing me to participate in various DSC activities and other good and valuable consideration, I hereby agree as follows:

1. I will comply with DSC's requests, if any, regarding precautions to be followed related to the possibility of becoming infected with or infecting others with COVID-19.
2. I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by attending or participating in DSC events, trips or other activities, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. **I understand the risk of becoming exposed to or infected by COVID-19 while at or participating in a DSC function may result from the actions, omissions, or negligence of DSC, myself or others.**
3. I voluntarily assume all of the risks and accept sole responsibility for any injury or harm to myself, or others who may, or may claim to have, become infected by or through me on account of or related to my having been infected by COVID-19, or otherwise harmed by my having attended or participated in a DSC activity, including, but not limited to, injury, disability, death, illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at or participating in a DSC function, and **I hereby release, discharge, hold harmless, and agree to defend, indemnify and covenant not to sue DSC, its members, officers, trip leaders, or other participants in or related to the relevant DSC related activity (the "Released Parties"), of and from any claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the DSC, its members, guests, officers or trip leaders, whether a COVID-19 infection occurs before, during, or after participation in any DSC event, activity or trip.**
4. This Waiver and Release shall be binding upon the person signing it, their successors, heirs and assigns, and shall inure and apply to the benefit of the Released Parties, their successors, heirs and assigns. All matters affecting the interpretation, form, validity, and performance of this Agreement shall be decided under the laws of the State of Texas. In the event it is necessary to file suit to enforce this Waiver and Release, the prevailing party shall recover court costs and reasonable attorney's fees from the other party.
